Women in Steel Pre-employment Program

Who we are looking for

Renewal SA's Works Program is looking for motivated and committed women living in the Western and Northern suburbs of Adelaide interested in a career in the steel manufacturing industry. Employment opportunities are available with Challenge Recruitment working for an industry leader in manufacturing and design, BlueScope.

Program participants need to:

- ▶ be physically fit and capable of undertaking manual work (able to lift 20 Kg)
- ▶ have a current Driver's License and a vehicle
- ▶ be able to pass a pre-employment medical and drug and alcohol test
- ▶ be able to use a computer
- ▶ be comfortable working in a manufacturing or distribution work environment
- ▶ be 18 years of age or over.

What you can achieve

Industry specific training, including nationally accredited qualifications in:

- ▶ [FSK20113] Certificate II in Skills for Work and Vocational Pathways incorporating accredited units for working in the warehousing and logistics industry.

Work experience placements and real employment opportunities with Challenge Recruitment for BlueScope for successful Program participants.

Eligible participants will be provided with language, literacy and numeracy support.

What you need to do

Participants will be provided with a shirt, pants and steel capped boots as part of personal protective equipment (PPE).

Contact Bonnie before 20 March 2017 to discuss your suitability for the Program and to register for the screening session on 23 March 2017 with TafeSA at Regency Park.
