Port Adelaide

AN EXHIBITION . A DISCUSSION . A CITY FILLED WITH COLOUR

TELMO MIEL (NETHERLANDS)

PORT ADELAIDE

Located 14 kilometres north-west of the Adelaide CBD, Port Adelaide is evolving into an area where creativity, commerce, entertainment and education fuse into one energetic and rewarding destination.

Through Renewal SA's urban renewal project, Our Port, the Government of South Australia has a vision to see more people living, working, investing and spending time in the Port. It's a plan that is being embraced by local government, local business owners and residents alike.

Respect the city, don't destroy it. All walls are painted with permission of their owners.

WONDERWALLS AT OUR PORT

Our Port was proud to be the site for the Wonderwalls Festival in 2015 and 2017. The festival brought together the best mural artists from around the world and has transformed Port Adelaide into an iconic destination for street art. These free festivals offered the public the opportunity to watch murals be created, attend Q&As and partake in free tours of the area.

Use this map to discover the area, with landmarks and art exhibitions from the 2015 and 2017 Wonderwalls Festivals plotted. Explore at your leisure and discover the best of what Port Adelaide has to offer.
